Experience

TouchStorm | **Web & Flash Developer** Nov 2008 - Current

My main responsibilities at TouchStorm currently include the design, development, deployment and tracking of our video players for our distribution network.

GetLegal.com | **Web Designer** Aug 2008 - Oct 2008

Main responsibilities included Creative and Art direction for client websites and company website. Other duties at GetLegal.com included occasional Flash animation or programming.

Starfeeder / Gameriot.com | **StarCraft 2 Blogger** July 2007 - 2010

I created one of the most popular blogs about competitive game StarCraft 2, called Starfeeder. I designed the blog, wrote the content and promoted it via social media.

Verizon | **Web Designer** Dec 2007 - Aug 2008

Designed interfaces for internal and external Verizon.com chat applications. Including the design for their Live Chat chat help application.

TM.com | **Flash Developer** Jan 2007 - Dec 2007

Responsibilities included developing rich interactive Flash banner ads and micro-sites for clients of TM.com

TribalDDB | **Flash Developer** Nov 2005 - Nov 2006

Responsibilities included developing rich interactive Flash banner ads and micro-sites for clients.

Verizon | **Web Designer** Jul 2002 - Aug 2005

Led design on various external and internal projects on Verizon.com. Also responsible for Flash development for interactive projects.

Macromedia | **Adobe Quality Specialist** Nov 1999 - Jun 2002

Quality tested Adobe software such as Fireworks, Dreamweaver, Freehand and Flash in several international languages.

Skills and Software

User Interface Design (Web), Photoshop, Flash (AS3), Illustrator, Fireworks, Dreamweaver, SublimeText 2, Espresso

Education

The Art Institute of Dallas Associates of Applied Arts 1997 - 1999

Studied 3D animation and modeling, Graphic Design, Web Design, Illustration, Storyboarding, AfterEffects, 3D Studio Max and Rhino. Accepted into the graduate Honors class 3.2 GPA.
